In the article by Milasan et al, “Apolipoprotein A-I Modulates Atherosclerosis Through Lymphatic Vessel-Dependent Mechanisms in Mice,” which published online September 22, 2017, and appeared in the September issue of the journal (J Am Heart Assoc. 2017;6:e006892. DOI: 10.1161/JAHA.117.006892.), errors were found. On page 16, lines 26 and 42, “platelet-derived extracellular vesicles” was incorrectly written as “platelet-derived endothelial venules.” It has now been corrected.

The publisher and author regret the errors.
