Clopidogrel Improves Skin Microcirculatory Endothelial Function in Persons With Heightened Platelet Aggregation

In the article by Salimi et al, “Clopidogrel Improves Skin Microcirculatory Endothelial Function in Persons With Heightened Platelet Aggregation,” which published online October 31, 2016, and appeared in the November 2016 issue of the journal (J Am Heart Assoc. 2016;5:e003751 doi: 10.1161/JAHA.116.003751), on page 1, the affiliations section contained errors. “Faisal Saeed, MD (F.S.)” was missing from the Nephrology Department, University of Maryland School of Medicine, Baltimore, MD and has now been corrected. Baltimore Veterans Administration was incorrectly given as the affiliation for Alan R. Shuldiner. His affiliation has been removed. These errors have now been corrected.

The authors regret these errors.
